A screenshot of the EmailListVerify website homepage. The background is dark blue. At the top left is the logo "EmailListVerify" with a green checkmark. To its right are navigation links: "API", "Integrations", "Affiliate", and "Pricing". On the top right are "Login" and a green "Register now" button. The main heading reads "Full-Featured Email Verification. But half the price 😊". Below this is the subtext: "Get rid of spam traps, hard bounces, disposable or catch-all emails without breaking your budget." On the left, there are two numbered steps: "1. Create a FREE account" (with subtext "Get 1,000 email verifications for FREE.") and "2. Upload your dirty list" (with subtext "We accept CSV, XLS, TXT and other formats."). On the right, there are three overlapping screenshots: a "Verify single Email" interface, an "Upload your list" interface with "FROM COMPUTER", "FROM INTERNET", and "INTEGRATIONS" options, and a "newsletter.csv" file upload confirmation showing "Download clean list" and "Uploaded at December 6th 2018, 11:42 PM". A white chat bubble icon is in the bottom right corner.
