-(5)V10 Total and Complete Garbage - not even a game IMHO.

Pay 50\u00a2 for Achievements that generate just for launching the game, and call it a day!

Let's call this a program, since there is no real gameplay. It was completely unresponsive to KB input, so I picked up the Xbox360 controller and only the D-pad was recognized. No need to aim and fire... just rotate the D-pad around to all quadrants for a moment, then let the 'aliens' kill you & Game Complete + 100% Achieves. 4 minutes lost. Life goes on.

Cheers

What's up with that CSA flag & cannon ?
